SUMMER HILL
DAY CAMP

Building character, skills, confidence, friendships, and memories that last a lifetime

OUR MISSION AT SUMMER HILL

Create a unique camp experience that maximizes the joy of physical activity and accomplishment, while encouraging a child's natural curiosity about the world—its people, plants, and creatures great and small

SUMMER HILL—A FAMILY TRADITION

Summer Hill has been owned and operated by the Cheney family since 1982. Founding owners Peter Cheney and Pat Love, were living and raising their own family in a nearby neighborhood when they fell in love with the property that would become Summer Hill and with the idea of starting a camp and educational facility for children. Peter, a physical education teacher and Shore area swim coach, quickly established Summer Hill as a premier facility at which children could learn how to participate, achieve competency, and gain confidence in a variety of sports. Co-founder Pat Love, a registered nurse with an M.A. in psychology and doctoral study in child clinical psychology, brought her understanding of children's cognitive development to create a camp program

and educational curricula that emphasized physical as well as cognitive development of the whole child. Peter's and Pat's sons, Peter, Jr., and Patrick, grew up on the property and became part of the Summer Hill team in their early teens.

Now under the direction of son Patrick Cheney and his wife, Lauren, Summer Hill continues to grow and evolve its programs and curricula to reflect the skills sets and competencies that children need to grow and thrive in the 21st Century. Co-owners Patrick and Lauren Cheney feel honored to be building on the rich history and success of Summer Hill, continuing a family tradition of helping children learn, grow, laugh, and reach their full potential.

TESTIMONIALS

“Oh Marie- What will we do without you?! We feel like we have made a friend for life in you! Thank you for your humor, your love, and for being so patient and understanding with us! Summer Hill is a wonderful place filled with a wonderful staff and because of that you create kids who are creative, self assured, and compassionate. We will miss you so much!

The Jaffe Family

“I just wanted to say Thank you for another great summer! Emma and Jay enjoyed each and every day! They talked about their friends, their projects and all the activities often and to everyone! They were so excited to share an awesome day. As a mother, I knew they were safe and well cared for everyday. Jay’s smile- full of dirt at the end of the day showed me how much fun he had! Emma loved all of her counselors and was so proud she had done a backbend with Miss Lauren by the end of the summer! They are both great swimmers now too! Thank you for taking such good care of them, fostering their independence and self confidence as well as their creativity and imagination. They loved being outdoors and doing all the sports and nature activities kids should be doing! You have a wonderful program and we appreciate all you do for the children!

The Bant Family

I cannot express enough thanks for all you have done for Autumn. You took the time to understand and care about one child you needed someone to believe in her- THANK YOU! Your staff is out of this world! From the smiling faces that greet us every morning, to the lifeguards who teach them how to swim- they are the BEST! Thank you for a great summer!

The Trowboust Family

I just wanted to send a special thank you to all of the staff and teachers at Summer Hill. You all have been so influential in my son, Bryce’s life. I have watched him transform and grow over the course of the school year and a HUGE reason for all the positive change is because of you and how you model and teach the children. I am so thankful that we found Summer Hill, because both Bryce and I would not be the same without having you in our lives. Thank you so much for helping Bryce start to become a wonderfully amazing little man he is. Without all of you, it would not be possible. Please know it means the world to me!”

Caitlin Simpson

I just want to thank you for doing such an outstanding job, this was my daughter, Hannah’s first experience with Summer Hill and she LOVED it! She was very apprehensive in the water and she even learned how to swim!! There is so much guilt involved with raising a child while working full time and you really have alleviated a lot of that for me! She was out in the fresh air, swimming, taking nature walks, etc. She had a wonderful time and all the staff who work for you couldn’t have been any nicer. Thank you for a wonderful experience. See you next year!

The Rose Family

“Thank you for another great summer!”
